# **FASTPITCH NORTHWEST CHAMPIONSHIPS**

**11TH ANNUAL  
2020 COLLEGE EXPOSURE TOURNAMENT**

**[www.fastpitchnw.com](http://www.fastpitchnw.com)**

# Fastpitch Northwest Players, Families and Friends

**Welcome** to the 11th annual Fastpitch Northwest Championships Exposure Tournament. This event has been one of the premier exposure and recruiting events in our region for the last ten years and has featured top level players from Washington, Oregon, Idaho, Montana, Alaska, Wyoming, Hawaii and British Columbia. Our unique format allows college coaches to see all games and evaluate talent without leaving our event complex.

**Over the last ten years nearly 300 FPNW alumni have gone on to play college softball.** Our continuing mission at Fastpitch Northwest is to bring the best fastpitch players forward in their pursuit to play beyond high school. We are excited to provide this unique opportunity to young women athletes throughout the Northwest.

This year our newly appointed **State Directors** have done an outstanding job of evaluating and selecting the top players in our region.

**Al Mendiola - College of Idaho - Idaho State Director**  
**Nicole Christian - Eastern Oregon University - Oregon State Director**  
**Mike Brooks - FPNW General Manager - Washington State Director**  
**Tom Mauldin - Regional Senior Advisor**

## COVID-19 REQUIREMENTS

This year has been extremely challenging for players, parents and coaches. It is a testament to the work ethic of the girls, support of parents and commitment of coaches that we are able to bring together this outstanding group of talented girls to compete this week. With so many facilities and venues closed to youth sports, we are grateful to the Keizer Little League Organization for allowing us to hold our event at their complex.

Oregon has recently updated their face covering requirements, and as of July 24th masks, face shields, or some sort of face coverings are required for everyone attending the event which includes athletes **ON THE FIELD** that cannot maintain social distance. Please find thin, comfortable, breathable face coverings, masks or gators that your athlete can wear or easily put on quickly when needed.

They have acknowledged and agreed that Softball is a social distance sport with minimal contact and requiring all positions to wear face coverings at all times is a health hazard. They are comfortable with us asking that **ALL** athletes have a face covering of some sorts on them (in a pocket, or somewhere easily accessible) to pop on when they are together as a team for time out-discussions and when transitioning off of the field back into the dugout (basically any time you are gathering back together as a group). Coaches and parents, please remind your athletes that they need to do this for the entire tournament. Please understand that we must honor any requirements mandated by the State of Oregon and Marion County. We will do whatever we need to do to make sure the girls are able to play.
